RESOLUTION NO. 2020-10

WHEREAS, § 13-510 of the Nebraska Statutes authorizes counties of the State of Nebraska to transfer monies from one Fund to another Fund when it becomes apparent to a governing body that due to unforeseen emergencies there is temporarily insufficient money in a particular Fund to meet the requirements of the adopted budget of expenditures for that Fund.

WHEREAS, due to continued rainfall and flooding that have resulted in severe damage to roads within Rock County, and the delay in receiving reimbursement funds from the Federal Emergency Management Agency(FEMA), the collections and cash flow for expenditures now allocated to the Road Fund have been insufficient to meet the requirements. That shortage should dissipate once reimbursements from FEMA are received.

NOW THEREFORE, BE IT HEREBY RESOLVED, by the County Board of Commissioners of the County of Rock, State of Nebraska, to transfer the sum of \$ 330,000.00 from the Inheritance Tax Fund to the Road Fund, both of which are within the Funds of the County of Rock, State of Nebraska, subject to the provision that the transferred funds will be repaid to the Inheritance Tax Fund once the money is available to do so and the Board so directs by resolution.

It is further resolved that the total amount of funds spent by the Road Fund shall not exceed the total amount budgeted.

IN WITNESS WHEREOF this resolution is hereby adopted on this 21st day of July 2020.
